Dangerous Goods Refresher Course

IAA/ IATA approved

The International Air Transport Association places a number of responsibilities on all those involved in consigning and transporting Dangerous Goods by Air. It is a legal requirement that those involved attend and pass an approved training course in order to be aware of the various regulations and requirements.

Export Edge Training Services Ltd. offer a 2 day in-depth refresher training course designed to meet the IATA regulations, as approved by the Irish Aviation Authority where certification has been obtained within the last 24 months.

Export Edge are highly experienced trainers in IATA and ADR regulations.

Course Content

Introduction:

- General Philosophy
- Limitations
- Classification
- List of dangerous Goods
- Packing instructions
- Labelling and Marking
- Shipper's Declaration and other relevant documentation
