AREA/S OF EXPERTISE

Export Edge Training is a leading Irish training company specialising in International Trade, Trade Finance and Banking, Credit Management, Export Trade, Logistics, and Dangerous Goods Compliance.

The Irish Exporters Association commissioned Export Edge Training in 1997, to launch the "Professional Diploma in Global Trade and e-Business", which is viewed by industry leaders as Irelands highest qualification within the International Trade Sector. This programme is also approved for Irish immigration study visa.

OTHER MEMBERSHIPS, AFFILIATIONS, etc.

Export Edge initiated the content development for web-based Documentary Letters of Credit online training and reference, catering for the International Banking and Export Trade. This has been availed by over ten thousand users. Syndicate partners include The International Chamber of Commerce Paris, Deutsche Bank London and Export Edge Training Dublin.

Export Edge Training and Export Edge Business College are accredited by the Irish Dept. Of Education, Irish Training Authority (FAS), Irish Exporters Association & Institute of International Trade, plus many other affiliations, which can be viewed on their website.
