Re: Institute of International Trade of Ireland Approval Status

Dear Austin,

We wish to confirm that Export Edge Services Ltd, (t/a Export Edge Training / Export Edge Business College), are an approved college under the IITI's accreditation programme to deliver

- Professional Diploma in Global Trade and eBusiness
 - Supply Chain Efficiency Logistics and Distribution Certificate Course
 - Short Corporate Programmes
- Logistics in Practice*
Export Procedures & Documentation
VIES and INTRASTAT Compliance Procedures
Shipments & Payments under Letters of Credit

Export Edge have delivered corporate training in association with the IEA / IITI over the last 12 years to cater for International Trade & Finance industry needs.

Export Edge were the first college to be appointed by the Institute to deliver the part-time Professional Diploma in Global Trade and eBusiness programme, since establishment in 1997 and their full-time Professional Diploma programme for international students in 2003.

We are pleased to relate that Export Edge have continually achieved the highest professional standards of tuition. Their students have consistently, achieved top national awards and prizes in Professional Diploma examinations over the past 8 years.

Kind Regards.

John Whelan
Chief Executive
