IMDG Corporate Course - Dangerous Goods by Sea

New responsibilities are coming into effect next January, from the International Maritime Association for those involved in consigning and transporting Dangerous Goods by sea. Section 1.3.1.1 of Amendment 34-08, requires from January 2010, that general awareness / familiarisation training, function-specific training and safety training be given to relevant shoreside staff, whose duties concern the carriage of dangerous goods by sea.

Export Edge Training are delivering this 2 day in-depth training course to meet the IMDG regulations for personnel engaged in the transport of dangerous goods by sea. This course is delivered by our experienced trainer, who is also highly qualified in IATA and ADR regulations.

COURSE BENEFIT ASSURANCE

A detailed review of the Dangerous Goods by Sea regulations implications take place with a pre-course questionnaire review followed by ongoing technical support for the month following the course.

Course Content

The International Maritime Dangerous Goods Code incorporating Amendment 34-08 & Irish Regulations for the movement of dangerous goods by sea.

- How to use Volumes I & II of the IMDG Code
- Responsibilities
- Classification, Identification of Mixtures and Hazard Precedence
- Packaging Types & Marking
- Marking and Labelling
- Placarding and Marking
